and are assumed to be for publication.

UniForum is a vendor-independent, not-for-profit professional association that helps individuals and their organizations increase their information system's effectiveness through the use of open systems, based on shared industry standards. Central to UniForum's mission is the delivery of high-quality educational programs, trade shows and conferences, publications, on-line services, and peer group interactions.

Membership in UniForum is open to individuals only. General members pay \$125. Overseas shipping is extra.

UniForum Monthly (ISSN# 1069-0417) is published monthly for \$24 per year (membership dues) by UniForum, 2901 Tasman Dr., Suite 205, Santa Clara, CA 95054. Application to mail at Second-Class postage rates is pending at Santa Clara, CA, and additional mailing offices. POSTMASTER: Send address changes to 2901 Tasman Dr., Suite 205, Santa Clara, CA 95054-1138.

Membership dues and other contributions to the UniForum Association are not tax-deductible as charitable contributions. However, they may be tax-deductible as ordinary and necessary business expenses.

UniForum Monthly is an official publication of UniForum, The International Association of Open Systems Professionals. Statements of fact and opinion are made on the responsibility of the authors alone and do not imply endorsement of products noted or an opinion on the part of the UniForum officers.
